

di Partito Comunista di Israele

Thousands of Arabs and Jews protested Tuesday in solidarity with Gaza, calling to stop the Israeli snipers and Israeli policy from continuing the war crimes against the Palestinian people in Gaza and the West Bank.

Our comrades blocked the King George Blvd in TLV for over 2 hours.

Here we gathered some pictures of the demonstrations held yesterday by the Communist Party of Israel and Hadash (the Democratic Front for Peace and Equality) in Tel-Aviv, Jerusalem, Umm EIFahem and many other localities across the country. [A video from TLV demonstration](#) .
